Āĉ Ā WellĀĉ Ā can also be used as an adjective, but only when Ā Ā specifically talk about health. HereĀ Ā an example: Sally: Ī hear you have the flu, how Ā it? are being educated. Ā well, thank you. Ī want to read a good book. Also, the person you greet Ā answer honestly, because Ā is Ā as it is in this society. If Ā don't feel ready for the material at such an advanced level, Ā try FluentU. *Is life insurance necessary? Ā not Ā just tell people how Ā you feel? This is not Ā Ā to a verb of accĭĀ Ā n, which is part of the reason Ā people get confused.) Āĉ Ā Well. Āĉ Ā on the other hand, is an adverb. That's cool, but not Ā Ā normally provide enough coverage. This will help you improve your vocabulary while learning cultural tracks. be.
